Hello Ray,

I am pleased to inform you that you are now registered with our affiliate program !

You will find below all the informations about your account. It is recommended to keep this e-mail in a safe place and to print it out.

***** AFFILIATE URL *****

In order to send potential customers to our website and have them listed as one of your referrals, all you have to do is use the following link on your website:

<http://www.webfaction.com/signup?affiliate=raychorn94596>

Note that you can also send them to any other page by just adding "?affiliate=raychorn94596" to the URL. For instance:

<http://www.webfaction.com?affiliate=raychorn94596>

http://www.webfaction.com/shared_hosting?affiliate=raychorn94596

When your visitors click on that link they will come to our website and it will register the fact that they came from you. If they signup for an account with us you will be marked as the referrer for the account and you will receive 10% of everything they pay.

**** CONTROL PANEL ****

Our control panel allows you to manage all aspects of your account with us.

URL: <https://panel.webfaction.com>

Login: raychorn94596

Password: 70f6a3df

**** PAYMENTS ****

We send payments to your PayPal account once a month (on the 1st business day of each month), provided that the amount due is above \$20.

Enjoy and let us know if you have any question (please use our ticketing system).

Regards,

Remi.

WebFaction team
